BE A FRIEND OF MARSHALL SQUARE PARK

We rely on your dues and donations to keep our park looking beautiful year round and to support events like the summer picnic concerts and the luminaries during Old Fashioned Christmas, plus physical improvements like new trash cans and current projects like the restoration and reinstallation of the original 1889 fountain.

Marshall Square Park is **YOUR** neighborhood park, a place to walk with your children and grandchildren or just enjoy the sanctuary of a peaceful arboretum. You can help maintain this treasure by joining Friends of Marshall Square Park today, or renewing your 2014 membership fees. Please send in the form below with your selection.

**JOIN FRIENDS & NEIGHBORS FOR PROGRESSIVE PLATES,
 FEBRUARY 1ST**

It's time for FMSP's 8th annual Progressive Plates gathering that brings members together for an intimate evening of camaraderie and culinary treats in neighborhood homes. *This year, twice as many members will be able to attend!* The 2014 format is slightly different than previous years, with 5 neighborhood homes participating. There will be 3 stops. Beginning at 6pm we will divide into two groups for the first two stops, then bring the whole group back together for dessert and a final toast.

Please note the January 20th RSVP date and let us know if you wish to be grouped with any particular friends. As in the past, we will respond by January 25th with details.
